:ohmy: What a story! Could not put it down! Sad and true to life events lingered in my mind for days.

Just finished Harvest. Like Vanish it brings to lite a very dark side of human nature and the price that many suffer at its hands.

Then today I see the headlines regarding 44 arrested in a New Jersey crime scheme. Here's the first line of the article:

"An investigation into the sale of black-market kidneys and fake Gucci handbags evolved into a sweeping probe of political corruption in New Jersey, ensnaring more than 40 people Thursday, including three mayors, two state lawmakers and several rabbis". Holy cow!

Here's the entire article: http://www.msnbc.msn.com/id/32103250/ns/us_news-crime_and_courts/
